8. Is clicking the 'SAVE' button starts the saving process?

MyTimesheets_us_007

As an admin
I want to be able to make changes in my timesheets
So that I can add and delete activities

Acceptance criteria:

1. Can I log in as a System Admin?
2. Does the 'Time' tab expands by clicking on the '+' icon?
3. Does the 'Timesheets' tab expands by clicking on the '+' icon?
4. Is the button 'Add activity' clickable?
5. Are the fields of entered data appear after clicking on the button 'Add activity'?
6. Is clicking the 'Save' button starts the saving process?

Functional_requirements

ID	fr_001
Function name /what do	Login
Description/ how it works	User can enter login and password and click "Login" button
Input data	Fields "Login" and "Password"
Input source	Data from the database system
Output data	User is logged in into the page
Destination	Login
Starting condition	https://orangehrm-demo-6x.orangehrmlive.com/
Ending condition	User is successfully logged in
Comments	none
Use cases	uc_001

ID	fr_002
Function name /what do	Changing user's personal data
Description/ how it works	The user can update the personal data, complete it and click the SAVE button
Input data	Specific field data
Input source	Specific user
Output data	Changes is saved
Destination	Changing personal data
Starting condition	User is on "My info" page
Ending condition	User is on "My info" page
Comments	none
Use cases	uc_02

ID	fr_003
Function name / what do	Candidate overview
Description / how it works	Candidate overview and opportunity download resume, download application form, compare with other candidates
Input data	Candidate list
Input data source	Candidates
The output	Displaying the candidate's personal information
Destination	Opportunity download resume, download application form, compare with other candidates
Starting condition	Admin is on a page Recruitment- Candidates
Ending condition	The window about downloading cv appears, admin is on a personal candidate's data
Comments	none
Use cases	uc_003

ID	fr_004

Function name/what do	Cancel user account privileges
Description/ how it works	System Admin can change user privileges
Input data	Log in as a system admin
Input source	Data from the database system
Output data	User privileges changed
Destination	User can't have access to the system
Starting condition	The System admin is on the "Admin" section
Ending condition	The System admin change user privileges
Comments	none
Use cases	uc_004

ID	fr_005
Function name/what do	Adding a comment on Employee Dashboard
Description/ how it works	The user can add comment
Input data	Log in as a user
Input source	User
Output data	User added comment
Destination	User can update status
Starting condition	The User is on the "Buzz" wall page
Ending condition	The User added comment
Comments	none
Use cases	uc_005

ID	fr_006
Function name/what do	Adding new Job Category
Description/ how it works	Admin can add new Job Category
Input data	Log in as admin
Input source	Specific field data
Output data	Admin added Job Category
Destination	Admin can add new Job Category
Starting condition	Admin is on Job Category page
Ending condition	Job Category is added
Comments	none
Use cases	uc_006

ID	fr_007
Function name/what do	Adding activity in MyTimesheets
Description/ how it works	Admin can add new activity
Input data	Log in as admin

Input source	Specific field data
Output data	Admin added new activity
Destination	Admin can add new activity
Starting condition	Admin is on MyTimesheets page
Ending condition	Activity is added
Comments	none
Use cases	uc_007

Use_Cases

ID	uc_001
Name	Login
Actors	Admin
Preconditions	Valid user name and password
Main Scenario	1. Enter valid user name 2. Enter valid password 3. Click on "Login"
End condition	Admin is successfully logged in
Alternative scenarios	Admin may not login

Test Cases

1. Test Scenario

C1: ValidLogin_ts_001

Type	Priority	Estimate	References
Functional	Medium	None	Login_us_001
Automation Type			
None			

Preconditions

Given: I enter valid login and password

Steps

When: I click on 'Log in' button

Expected Result

Then: I successfully logged in to the page

C2: InvalidLogin_ts_002

Type	Priority	Estimate	References
Functional	Medium	None	Login_us_001
Automation Type			
None			

Preconditions

Given: I enter invalid login and password

Steps

When: I click on 'Log in' button

Expected Result

Then: I cannot be logged in to the page

C3: ValidChangingMyInfo_ts_003

Type	Priority	Estimate	References
Other	Medium	None	ChanginMyInfo_us_002
Automation Type			
None			

Preconditions

Given:I log in as admin

Steps

When: I fill in required fields with valid data

Expected Result

Then: I can successfully update my Personal Details

Type	Priority	Estimate	References
Other	Medium	None	ChanginMyInfo_us_002
Automation Type			
None			

C4: InvalidChangingMyInfo_ts_004

Type	Priority	Estimate	References
Other	Medium	None	ChanginMyInfo_us_002

Automation Type

None

Preconditions

Given: I log in as admin

Steps

When: I enter letters in License Expiry Date field

Expected Result

Then: I cannot update my Personal Details. An error message appears "Expected format: D, dd M yyyy"

C5: Candidate'sInfo_ts_005

Type	Priority	Estimate	References
Functional	Medium	None	Candidates.Info_us_003
Automation Type			
None			

Preconditions

Given: I'm log in as admin

Steps

When: I click on candidate

Expected Result

Then: I can view personal data and download resume, download application form, compare with other candidates

C6: ChangingCandidate'sInfo_ts_006

Type	Priority	Estimate	References
Functional	Medium	None	Candidates.Info_us_003
Automation Type			
None			

Preconditions

Given: I'm log in as admin

Steps

When: I enter 35 digits in Contact Number field

Expected Result

Then: An error message appears "Should not exceed 30 characters"

Type	Priority	Estimate	References
Functional	Medium	None	Candidates.Info_us_003
Automation Type			
None			

C7: CancelingUserAccountPrivileges_ts_007

Type	Priority	Estimate	References
Functional	Medium	None	CancelingUserAccountPrivileges_us _004

Automation Type

None

Preconditions

Given: I am log in as a System Admin

Steps

When: I edit a user account details

Expected Result

Then:I can change user status from "enable" to "disabled"

C8: AddingCommentOnEmployeeDashboard_ts_008

Type	Priority	Estimate	References
Functional	Medium	None	AddingCommentOnEmployeeDashboard_us005

Automation Type

None

Preconditions

Given: I log in as a User

Steps

When: I add a comment with a photo attachment

Expected Result

Then: It displays on the Buzz wall

C9: AddingCommentOnDashboard – invalid_ts_009

Type	Priority	Estimate	References
Other	Medium	None	AddingCommentOnEmployeeDashboard_us005

Automation Type

None

Preconditions

Given: I log in as a User

Steps

When: I try to add empty comment

Expected Result

Then: An error message appears "Empty comment cannot be added"

C10: AddingNewCategory_ts_010

Type	Priority	Estimate	References
Other	Medium	None	JobCategories_us_006
Automation Type			
None			

Preconditions

Given: I'm login as admin

Steps

When: I click on "Add Job Category" and enter title

Expected Result

Then: Message "Successfully added" appears

Type	Priority	Estimate	References
Other	Medium	None	JobCategories_us_006
Automation Type			
None			

C11: AddingNewCategory-invalid_ts_011

Type	Priority	Estimate	References
Other	Medium	None	JobCategories_us_006
Automation Type			
None			

Preconditions

Given: I'm log in as admin

Steps

When: I click on "Add Job Category" and I dont enter title

Expected Result

Then: An error message "Unable to add new Job Category" appears

Type	Priority	Estimate	References
Other	Medium	None	JobCategories_us_006
Automation Type			
None			

C12: MyTimesheets_ts_012

Type	Priority	Estimate	References
Other	Medium	None	MyTimesheets_us_007
Automation Type			
None			

Preconditions

Given: I'm log in as admin

Steps

When: I click on "Add Activity" and enter all required fields

Expected Result

Then: Message "Activity is added" appears

C13: MyTimesheets-invalid_ts_013

Type	Priority	Estimate	References
Functional	Medium	None	MyTimesheets_us_007
Automation Type			
None			

Preconditions

Given: I'm log in as admin

Steps

When: I click on "Add Activity" and enter time 07:59-05:59

Expected Result

Then: An error message "07:59 access_time From time should be before to time -05:59 access_time To time should be after from time" appears

Type	Priority	Estimate	References
Functional	Medium	None	MyTimesheets_us_007
Automation Type			
None			

1.1. Test Cases

C14: ValidLogin_tc_001

Type	Priority	Estimate	References
Functional	Medium	None	None
Automation Type			
None			

Preconditions

Valid login and password

Steps

	Step	Expected Result
1	Go to https://orangehrm-demo-6x.orangehrmlive.com/	Website is successfully displayed
2	Enter valid login and password	Login and password are verified and accepted
3	Click on "Login"	User is logged in

C15: InvalidLogin_tc_002

Type	Priority	Estimate	References
Functional	Medium	None	None
Automation Type			
None			

Preconditions

Valid login, invalid password

Steps

	Step	Expected Result
1	Go to https://orangehrm-demo-6x.orangehrmlive.com/	Website is successfully displayed
2	Enter valid login	Login is accepted
3	Enter invalid password	Password is not accepted
4	Click on "Login"	An error message "Incorrect username or password.Try again". User is not log in on the page
